

County Round Up

Every 2 months we have a county Network meeting. This allows each Network to feedback on what they have been upto and what they are planning to do. Here's the latest update from around the County.

The next meeting will be Sunday 8th February 2015 at Great Glen Scout HQ.

Market Harborough Unit:

Currently have 14 members on the books. With most members away during term time they are currently discussing plans for activities over Christmas as well as the possibility of a camp at Easter. The unit will of course be taking part in High Adventure.

Melton Unit:

Have had several meetings with regular attendees. Although they had planned to take part in the Monopoly Run in London in February, most are Cub Leaders and they have decided to support the County Cub trip to RAF Hendon instead. They are planning to take part in the monopoly run in April instead.

They recently held a Duplo night with a bridge building competition!

Schroedinger Unit:

Exciting plans ahead. As almost all members are Explorer Leaders they are involved in a trip to take Explorers to Belgium in August 2015 – by train!

The district is still developing its Island and the unit are camping on it the third weekend in December.

Beacon Unit:

Recently took part in a Night Hike and a "Come Dine with me" must to amusement of their members. They have also increased their numbers by investing some more people.

South West Unit:

Have recently re-selected their committee although the changes have yet to take effect. Currently trying to settle on a night to meet that suit most members and develop a regular programme.

Unit Reports

Remember if you issue a full unit report at the next County meeting the details will appear here. This doesn't just tell other units what you have been up to it also tells them what you are planning on doing.

For units that are setting up, or people in areas where there isn't a unit, these reports can provide useful information about upcoming events and activities that they may wish to take part in and won't get to hear about any other way. Don't keep it to yourself - Shout about it! Let's tell everyone what Network is all about.
